NOW, THEREFORE, in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Purchaser and Seller mutually agree as follows:

(a) Defined Terms. Capitalized terms used herein without definition shall have the meanings specified for such terms in the condominium instruments. Otherwise, terms not defined herein shall have the meanings specified for such terms in Section 42-1902.02 of the Condominium Act.

(b) Terms of Purchase.

1. Sale. Seller shall sell to Purchaser, and Purchaser shall purchase from Seller:

(a) **Condominium Unit Number** _____

2. Deposit. The Deposit shall be held in an escrow account by Heritage Title & Escrow Company pursuant to Section 42-1904.09 of the Condominium Act. At settlement, the Deposit shall be paid to the person conducting the settlement hereunder to be applied to the Purchaser's obligation. Upon default hereunder or upon any termination of this Agreement, the Deposit shall be paid to the person lawfully entitled thereto pursuant to the terms of this Agreement. At settlement, Seller shall credit Purchaser with interest earned on the Deposit, if required by law. Any transfer of the Deposit under this Agreement shall include any interest thereon.

3. Financing. Purchaser hereby elects the following method of financing, pursuant to the terms of this Agreement (Purchaser to designate applicable financing):

3-1 No financing arrangement (all cash sale) _____

3-2 Financing _____

(a) Cash Sale. If Purchaser elects to pay the Purchase Price all in cash, this Agreement shall be in no way contingent upon financing and Purchaser assumes full responsibility to initiate and pursue all steps necessary to obtain the funds required for settlement. In furtherance thereof, Purchaser shall provide Seller, within three (3) days after the date hereof, proof of Purchaser's financial ability to pay the full Purchase Price in cash at settlement. If Purchaser defaults in Purchaser's obligation to provide timely proof satisfactory to Seller of Purchaser's ability to pay, Seller, at its sole option, may terminate this Agreement and return the Deposit and the parties shall have no further liability to each other.

(b) Financing.

(1) Introduction. If Purchaser elects, Purchaser shall place with a lender designated a mortgage or deed of trust on the Condominium Unit in the amount set forth in Section 1(f) paying interest at the prevailing market rate for such term and on the repayment schedule established by the lender's written commitment to Purchaser.

(2) Loan Application. Purchaser shall apply to the lender within five (5) days after the date of this Agreement and shall, without delay, provide to such lender such information or other materials as may be required by such lender. Purchaser shall complete all mortgage credit applications and other similar forms provided by the lender promptly after receipt, and if such forms are not submitted to the lender properly and fully executed within ten (10) days after the request for the same, then this Agreement, at the sole option of Seller, may be terminated and the Deposit, less amounts withheld for Extras/Options/Upgrades, returned by Seller and the parties shall have no further liability to each other. Purchaser shall comply with the terms of any commitment from the lender. If Purchaser has complied with the requirements of this Agreement and for any reason whatsoever is unable to obtain a commitment from a lender satisfactory to Seller within (15) days of contract ratification for the mortgage loan referred to above, either party may terminate this Agreement and cause the Deposit to be returned to Purchaser. If the lender refuses to make the loan *due to the failure of Purchaser to comply with the terms of any commitment*, Seller, in its sole discretion, shall have the option to terminate this Agreement whereupon Seller may retain the Deposit and any amounts paid or deposited with respect to Extras/Options/Upgrades, and the parties shall have no further liability to each other. In no event shall Seller have any obligation or liability to Purchaser due to the lender's refusal to make such loan for any reason whatsoever.

(c) Credit Information. Any credit application and any information obtained in connection therewith may be released by Seller or any designated lender to any other designated lender without the further consent of Purchaser, solely for purposes of obtaining a mortgage commitment hereunder.

4. Amendment of Condominium Instruments.

(a) Restrictions. Seller reserves the right upon notice to Purchaser, prior to settlement hereunder, to make such modifications, additions or deletions in or to any of the condominium instruments as may be approved or required by any permanent lender, secondary mortgage market agency, public authority or the title company insuring title, provided that none of the same shall: (i) change the Common Element Interest of the Condominium Unit as fixed in the Declaration (other than as permitted by the Declarations and the Condominium Act) or increase the proportion of the common expenses to be borne by the Condominium Unit being sold hereunder, (ii) increase the Purchase Price hereunder, (iii) require a material physical modification of the layout or location of the Condominium Unit; or (iv) decrease the financial obligations of Seller hereunder. Notwithstanding the foregoing, Seller may amend the condominium instruments to correct or supplement any erroneous or incomplete information based upon an objectively verifiable fact in accordance with Section 42-1902.27 of the Condominium Act.

5. Public Offering Statement; Seller's Rights.

(a) Public Offering Statement. Purchaser hereby acknowledges receipt of a copy of the Public Offering Statement for the Condominium, including the condominium instruments and all other attached exhibits and schedules. Purchaser hereby ratifies and agrees to be bound by the provisions of the foregoing documents, as each such document may be duly amended from time to time.

(b) Seller's Rights. Seller shall retain or acquire title to each Condominium Unit not sold to any other person. Seller retains the right to enter into leases with any third parties for the occupancy of any Condominium Unit so retained by Seller and not sold to any other person.

6. Condition.

(a) At Delivery. Purchaser is acquiring the Condominium Unit in "AS-IS" condition. At settlement, Seller shall deliver the Condominium Unit and the appurtenances thereto substantially in accordance with the Plats and Plans, as the same may be modified and amended from time to time, with all fixtures, appliances and equipment to be provided by Seller installed, along with all options depicted on the Schedule of Purchaser's Extras/Options/Upgrades attached as Exhibit A hereto. Purchaser acknowledges that measurements shown on the Plats and Plans are approximate and actual dimensions may not be exactly as shown. Seller shall not be required to install or provide any fixtures or appliances not actually installed in the Condominium Unit at the time of inspection pursuant to Section 7 or otherwise agreed in writing to be installed by Seller. Seller shall have the right to make minor changes in the dimensions of any portion of the Condominium and to substitute substantially equivalent materials for any of the same set forth in any sales or other documents and to make such modifications or substitutions as may be required by any governmental authorities asserting jurisdiction over the Condominium, or any construction or permanent lender or as may be reasonably necessary. Any dispute involving delivery of the Unit shall be submitted within a reasonable time to arbitration administered by the American Arbitration Association under its Arbitration

Rules for the Real Estate Industry, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

(b) Extras, Options, Color and Material Selection.

(1) Upgrades, Options and Extras. Purchaser may purchase certain upgrades, extras or options ("Extras") from Seller upon approval in writing from Seller. Seller may impose conditions in its sole discretion prior to the approval of these Extras, including, but not limited to, extending the date for settlement or imposing additional charges or costs for the installation of such Extras.

(2) Payment for Extras. Purchaser shall pay Seller for 100% of the estimated cost of all Extras (the "Extras Payment") upon execution of each Schedule of Purchaser's Extras (in the form attached hereto as Exhibit A) by delivering the same to Seller. **Purchaser acknowledges that the cost of the Extras is non-refundable. Purchaser shall be responsible for the cost of one-hundred percent (100%) of these non-refundable items even if settlement never occurs for reasons outside Purchaser's control. Purchaser further acknowledges that the Extras Payment is only an estimate of the price of all Extras; in the event that the price of the Extra is more than the Extras Payment, Purchaser shall promptly pay same to Seller upon request; in the event that the price of the Extras is less than the Extras Payment, then Purchaser shall receive a credit at closing for such excess.** Accordingly, if settlement does not occur for any reason other than Seller's default, including, but not limited to, Purchaser's inability to obtain financing, Purchaser will forfeit the Extras Payment.

(3) Color Selections. Purchaser shall make any color and/or material selections required immediately upon signing this Agreement. Purchaser agrees that no changes in these selections will be accepted by Seller after the Date hereof.

7. Inspection. Seller shall make the Unit available for Purchaser's inspection not less than seventy-two (72) hours prior to Settlement; any inspection by Purchaser shall be accomplished in the company of a representative of Seller. At such inspection, the Unit Inspection Form (as well as the Warranty Inspection Form attached to the Limited Warranty) set forth as an exhibit to the Public Offering Statement shall be completed and executed by Purchaser and by a representative of Seller. Purchaser shall attend such inspection and participate in completing the Unit Inspection Form prior to settlement. Seller shall not be liable for (i) the correction of any such incomplete work or defects or (ii) the installation of any fixtures or appliances not specifically listed in the Unit Inspection Form. Any items identified for which Seller is responsible will be remedied by Seller within fifteen (15) days of settlement (subject to weather conditions, Seller's workload, the availability of any necessary materials, and any other delay caused by forces outside the control of Seller). The existence of any such incomplete work or defects shall not delay the time of settlement nor postpone Purchaser's obligations hereunder. Seller shall not be required to establish an escrow to ensure completion of the items as a condition of settlement, and Purchaser shall not be entitled to request such an escrow. Failure of Purchaser to make the inspection at the date and time specified by Seller shall constitute full acceptance of the Condominium Unit by Purchaser, with all faults.

8. Settlement. Seller shall give notice to Purchaser specifying a date, which date shall not be less than ten (10) nor more than thirty (30) days following the giving of such notice, on which settlement shall take place. Settlement may, at Seller's option, be conducted individually or in groups, and shall take place on the date and at the time and place specified in the notice or such other date, time and place as the parties may agree upon in writing. Seller shall deliver to Purchaser a good and sufficient special warranty deed at settlement conveying the Condominium Unit to Purchaser. Purchaser shall pay the Balance Due at settlement (in addition to causing the lender if any, to pay the Mortgage Proceeds) to the order of Seller or as Seller may direct. Seller thereupon will deliver possession of the Condominium Unit to Purchaser along with the Condominium Unit keys. Seller may, in its sole discretion, agree to extend the date of settlement at the request of Purchaser, which extended date shall be no later than thirty (30) days after the originally scheduled date.

9. Title.

(a) Quality. Title to the Condominium Unit shall be subject to the terms and conditions of the Condominium instruments. The Condominium Unit shall be conveyed free from encumbrances except as provided for herein. Title shall be good and marketable and insurable at regular rates, subject, however, to (i) the Condominium Act and covenants, easements and restriction of record or to be recorded prior to settlement, (including without limitation all such covenants, easements and restrictions set forth in the condominium instruments), (ii) general real estate taxes for the current tax year not then due, (iii) matters which would be disclosed by a current survey of the Condominium, the Condominium Unit and (iv) liens or other matters over which the title company agrees to insure.

(b) Defects. If Seller is unable to convey title as aforesaid because of any defect in title at settlement, Seller is expressly released from all liability for damages, and Seller, at Seller's option, may either; (i) correct the defect if the

same can be done within reasonable time, or (ii) terminate this Agreement and cause the Deposit to be returned to Purchaser. If Seller determines that legal action is necessary to remedy defects in title, such action shall be taken promptly by Seller at its own expense, whereupon the time specified here for full settlement by Purchaser will thereby be extended for the period necessary for such prompt action.

10. Expenses of Closing.

(a) Settlement Costs. Heritage Title & Escrow Company ("Heritage") is in possession of Declarant's title report, current survey, condominium instruments, and all other instruments and materials necessary to legally convey the Units. **Purchaser will be charged Heritage's normal charges for a Washington, DC settlement, including, but not limited to, a \$225 settlement fee, \$165 title search fee, \$25 binder fee, \$35 document preparation fee, \$57 copy and courier fee, \$25 tax certificate fee. If, however, Purchaser elects to make settlement through any other attorney or agent, Seller shall not pay any such contribution, and Purchaser shall pay all such expenses, as well as any and all expenses incurred by Seller in providing any settlement agent or attorney other than Heritage with the necessary conveyancing instruments and materials.** In any event, Purchaser shall pay all other expenses including without limitation the cost of an appraisal and credit report, owner's and mortgagee's title insurance premiums, the recordation tax imposed on Purchaser by Section 42-1103 of the District of Columbia Code, and mortgage insurance premiums, as well as any other document preparation charges and related fees. To the extent that any Extras/Options/Upgrades have not yet been fully paid for by Purchaser, Purchaser shall make such payment to Seller at Settlement. If Purchaser has paid more than the price attributed by Seller for Extras/Options/Upgrades, then Purchaser shall receive a credit for such excess at Settlement against the Purchase Price.

(b) Prepayments and Escrows. Notwithstanding anything contained herein to the contrary, Purchaser shall reimburse Seller at settlement for prepaid real estate taxes, assessments and utility charges, if any, on the Condominium Unit, all of which shall be prorated as of the date of settlement. If required by the lender, Purchaser shall prepay at settlement any mortgage insurance premiums, interest for up to one month and a reasonable percentage of the estimated annual real estate taxes. If a separate real estate tax bill has not been issued for the Condominium Unit prior to settlement, Purchaser shall comply with such arrangements as may be established by Seller to assure payment of such taxes.

(c) Association Assessments. Purchaser will also deposit with Seller at settlement for transmittal to the Unit Owners' Association of the Condominium (i) a portion of the monthly installment of the common expense assessment against the Condominium Unit, prorated to the date of Settlement; (ii) the monthly installment due for the month following the month during which Settlement occurs; and (iii) **an initial working capital contribution in an amount equal to twice the monthly installment of the common expense assessment against the Condominium Unit in the fiscal year of the Unit Owners Association in which settlement occurs, such amount being in addition to and not in lieu of regular monthly installments of such assessments and charges as the same thereafter become due and payable.** Such payments are non-refundable.

11. Risk of Loss. Purchaser shall not acquire any equitable ownership of or title to the Condominium Unit under this Agreement until a deed of conveyance is delivered to Purchaser at Settlement. The risk of loss or damage by fire or other casualty is assumed by Seller until a deed of conveyance is delivered to Purchaser at settlement. In the event of a loss or damage or other casualty to the Unit or the building in which the Unit is located, Seller shall have the right to terminate this Agreement, in which event the Deposit and the Extras Payment shall be returned to Purchaser, and the parties shall be relieved of further liability hereunder. In the event Seller elects to repair the Unit or the building in which the Unit is located, Seller shall give notice thereof to Purchaser and Settlement shall be deferred until such repair is complete.

12. Promotional Materials and Model -- Illustrative Purposes Only.

(a) Generally. Purchaser acknowledges that Seller is not improving the Condominium Unit (except as set forth on the Schedule of Extras), and has not agreed to improve the Condominium Unit, specifically for Purchaser, nor to the precise specifications or design of any model residence displayed to or visited by Purchaser, but rather, that Seller is improving the Condominium Unit for sale to the general public.

(b) Model. Purchaser acknowledges that the model residence, if any, is displayed only for purposes of illustration. Purchaser acknowledges that certain items shown in the model residence are standard and some are optional, that such items may change, and that it is Purchaser's responsibility to request written clarification from Seller if Purchaser is uncertain as to which items are standard and which are optional. The location of wall switches, thermostats, chases, ducts, registers, returns, plumbing, electrical fixtures and outlets and similar items may vary from those contained in the plans or model units.

(c) Marketing and Promotional Material. Any floor plans, sketches or sales drawings shown to Purchaser are for display and illustrative purposes only and may not be duplicated strictly. Any scale models, site plans, sales displays or brochure drawings of the Condominium Unit and the project including, without limitation, any and all plats and

plans of the Condominium of record and/or referenced in the Public Offering Statement are only artist's conceptions for illustration and display only, and are subject to change. Such scale models, site plans, displays or brochure drawings including, without limitation, any and all plats and plans of the Condominium of record and/or referenced in the Public Offering Statement shall not constitute a warranty by Seller as to the condition of the Condominium Unit or project or be part of this Agreement. Items in the nature of "custom finishing," decorating or the like and/or any deviations from Seller's plans shall be the sole responsibility of Purchaser and shall be performed only after settlement and possession by Purchaser.

(d) Surrounding Area. Purchaser hereby acknowledges that Seller has made no representations and has no obligation to Purchaser with respect to (i) designs of other Condominium Units, (ii) location, position and visibility of utility lines, pipes, poles, boxes or other similar equipment, or (iii) use or prospective use of any property outside the building in which the Unit is located, notwithstanding any plats, site plans or other illustrative material.

13. Custom Finishing Access. Items in the nature of custom finishing, decorating or the like and/or any deviations from the Plans shall be the sole responsibility of Purchaser and shall be performed only after settlement and possession by Purchaser. Purchaser shall not bring any furniture or other property into the Condominium nor, except for the inspection pursuant to Section 7, shall Purchaser have access to the Condominium Unit or the building containing the Condominium Unit prior to settlement and delivery of possession to Purchaser. Purchaser agrees that this covenant is a material term of the Agreement and that there are inherent physical dangers of being present at the unit. In the event of a breach of this covenant by Purchaser, which results in physical injury to Purchaser, or to any party accompanying Purchaser, or which results in damage to the property of any of the aforesaid individuals, or to the property of Seller, then in such event Purchaser hereby covenants and agrees that Purchaser assumed all risks, latent and patent, when it breached such covenant, and that Purchaser's (or such other party's) injury or loss was proximately caused by such access, because such injury or damage could not have occurred but for such breach, Purchaser expressly assuming all risks, latent and patent, related to such access. Therefore, Purchaser agrees that in no event is Seller liable in any way therefor, and Purchaser shall hold Seller harmless and shall indemnify Seller from any and all claims, liabilities, cost, expense (including attorneys' fees) or causes of action for personal injury or property damage resulting from Purchaser's breach of the covenant given herein.

14. Default.

(a) Default by Purchaser. If Purchaser shall fail to pay the Balance Due at settlement, fail to cause the Mortgage Proceeds to be paid at settlement, or shall fail to perform any of Purchaser's other obligations hereunder, time being of the essence, Seller may terminate this Agreement by giving notice to Purchaser and may retain the Deposit, the Extras Payment and any other amount paid by Purchaser as liquidated damages, whereupon the parties hereto shall be released from any further liability or obligation hereunder. Thereafter, Seller shall be free to sell the Condominium Unit to any third party, and Seller shall be under no obligation to account to Purchaser for any part of the proceeds of such sale. Seller shall have the alternative right to avail itself of any legal or equitable rights or remedies it may have in law or equity, including, but not limited to, the right of specific performance, and to apply the Deposit to Purchaser's liability to Seller.

(b) Default by Seller. If Seller shall default in its obligations hereunder in any material respect and Purchaser is not otherwise in default hereunder, then Purchaser shall, at Purchaser's option, be entitled either to (i) waive such default and proceed to settlement, or (ii) terminate this Agreement by written notice to Seller, whereupon Seller shall cause the Deposit, the Extras Payment, and any other amount paid by Purchaser to be returned to Purchaser and thereafter neither of the parties hereto shall have any further liability to the other hereunder.

15. Assignment. This Agreement is personal to Purchaser and Purchaser may not assign this Agreement without the prior written consent of Seller, which may be withheld in its sole discretion. Any assignment purported to be made without Seller's prior written consent shall be ineffective. Seller's refusal to consent to an assignment hereof shall not entitle Purchaser to terminate this Agreement or give rise to any claim for damages against Seller. Seller may assign its rights hereunder and, if such assignment shall be for the purpose of securing a lender to Seller, Purchaser's rights hereunder shall, at the option of such lender, be subject and subordinate to the rights of such lender. Within ninety days after foreclosure or acceptance of a deed in lieu thereof, such lender may terminate this Agreement, whereupon the Deposit shall be returned to Purchaser, and Seller, such lender and Purchaser shall be released from any further liability or obligation hereunder. If such lender does not terminate this Agreement, Purchaser shall complete the purchase of the Condominium Unit in accordance herewith.

16. Notices. Any notice to be given hereunder by one party shall be in writing and sent by hand delivery, facsimile, or by registered or certified United States mail, postage prepaid return receipt requested, to the other party at the address listed on the first page of this Agreement or at such other address as either party any hereafter specify to the other in writing. In the case of hand delivery the date of receipt or first refusal to accept delivery shall be deemed to be the effective date of such notice. In the event of mail delivery, the postmark date shall be deemed to be the date of the giving and receiving of notice. In the event of facsimile delivery, the giving and receiving of notice shall be deemed to have occurred the day following dispatch of the fax which shows acknowledgment of receipt and is accompanied by same day regular mailing of the notice.

17. Warranties.

(a) Limited Warranty. Purchaser hereby waives any and all warranties other than those provided in this Section and will accept the Condominium Unit subject to the inspection pursuant to Section 7, in its "AS-IS" condition. Seller shall have no liability for personal injury or property damage arising from environmental or ecological conditions in the Condominium Unit or in, under or near the building in which the Unit is located. Seller shall warrant the Condominium Unit against structural defects (as defined in Section 42-1903.16 in components installed by Seller or in work performed by Seller pursuant to Section 42-1903.16 of the Condominium Act for two years after the date of conveyance of such Unit, and each of the Common Elements against structural defects (as defined in Section 42-1903.16) in components installed by Seller or in work performed by Seller pursuant to Section 42-1903.16 of the Condominium Act for two years after the date of conveyance of the first Condominium Unit in the Condominium or completion of that common element (whichever is later). All such warranties are more fully set forth on the Limited Warranty Certificates attached as exhibits to the Public Offering Statement. Seller will deliver a signed copy of the Limited Warranty Certificate for the Condominium Unit to Purchaser at settlement. Prior to the expiration of the warranty period, Seller will assign to the Board of Directors of the Condominium, on behalf of the Unit Owners of all Condominium Units, all warranties, if any, from subcontractors or suppliers of materials running in favor of Seller, to the extent that such warranties are assignable. Seller will deliver to Purchaser at settlement any manufacturers' warranties covering any equipment in the Condominium Unit except insofar as the same may be Common Elements. In the event of any such warranty, it is acknowledged and agreed by Purchaser that the warranting party, and not Seller, is responsible therefor. Seller hereby expressly disclaims all warranties under the Condominium Act, either expressed or implied, other than its Limited Warranty Certificate, including any implied warranty of merchantability, habitability or fitness for a particular use or purpose. Purchaser acknowledges that some persons may experience allergic or medical reactions to components of various building materials. Seller does not warrant any building materials used in the Unit or building to be free from any possible toxicity to users or occupants and therefore disclaims any liability for any problems arising therefrom.

(b) Environmental. The United States Environmental Protection Agency ("EPA") and the District of Columbia have literature available which disclose known toxic waste sites throughout the District of Columbia. Seller has made no investigation to determine whether there are any hazardous waste sites or hazardous environmental conditions in proximity to or affecting the Condominium Unit or the building in which the Condominium Unit is located, although such sites or conditions may exist. The parties agree that Purchaser has the right, at its own expense, to conduct and complete any investigation concerning such sites or conditions within ten (10) days after contract ratification. In the event that Purchaser, as a result of such investigation, determines that the Unit is adversely affected by a hazardous environmental condition, Purchaser shall have the right to terminate this Agreement by giving written notice to Seller. Upon receipt of this notice, the Deposit shall be returned to Purchaser without deduction, whereupon this Agreement shall then be terminated, and all obligations between Purchaser and Seller shall cease to exist. In the event that Purchaser does not notify Seller of the existence of any unacceptable environmental condition within five (5) days from the date of the investigation, Purchaser's right to terminate this Agreement under this Section 17(b) shall lapse and this Agreement shall remain in full force and effect. Seller makes no warranty or representation of the environmental condition of the Condominium Unit or building, including without limitation, existence of gasses, materials or wastes in or on the Condominium Unit or building and disclaims any liability for such existence (or the consequences) and Purchaser expressly releases Seller for any liability under contract or law and hereby assumes any and all risks associated therewith.

(c) Radon/Lead. Radon gas is a naturally occurring radioactive gas found in soils and rocks as a result of the natural decay or breakdown of native uranium and radium. Seller has no expertise in the measurement or reduction of radon gas in buildings, nor does Seller provide any advice regarding radon gas levels. The EPA and state and local environmental authorities are best equipped to render advice concerning radon gas, methods of detection of gas and when or if any remedial measures may be advisable. Information on radon gas may be obtained directly from the EPA.

Although lead has been used in numerous consumer products, lead is a toxic metal now known to be harmful to human health if inhaled or ingested. Important sources of lead exposure include: ambient air, soil and dust (both inside and outside the home), food (which can be contaminated by lead in the air or in food containers), and water (from the corrosion of plumbing). The degree of harm depends upon the level of exposure (from all sources). Known effects of exposure to lead range from subtle biochemical changes at low levels of exposure, to severe neurological and toxic effects or even death at extremely high levels. Plumbing installed before 1930 is most likely to contain lead.

It is understood and agreed by Purchaser that Seller makes no representations of any kind about the present or future existence of radon gas or lead or about acceptable levels of the same in or about the Condominium Unit or the building. Furthermore, Purchaser understands that Seller does not make any warranty of any kind regarding radon gas or lead as they relate to the Condominium Unit or the building. Purchaser acknowledges that the release in Section 17(a) above expressly includes any present or future claims or liability he or she may have of any kind and/or in any way related to the existence of radon gas or lead in or around the Condominium Unit or the building including but not limited to any expenses

Purchaser may incur in connection with radon gas or lead reduction or abatement methods that Purchaser may pursue if elevated levels of radon gas or lead should ever occur.

18. **Brokerage.** This Agreement was procured through the services of Seller's sales representative(s), _____, and any co-broker shown below, without the intervention of any other broker. Purchaser shall defend, indemnify and hold Seller harmless from and against the claim of any other broker or finder, including any attorney's fees incurred as a result of such claim. The parties acknowledge that the co-broker is not the agent of Seller. The Purchaser and Seller acknowledge and agree that the Listing Agent is not responsible or liable for the condition of the unit or the common elements of the condominium and the Listing Agent is not responsible or liable for either the Seller's or Purchaser's performance of their respective obligations under this agreement.

19. **Delay.**

(a) **Purchaser's Option.** If settlement shall not have occurred within one (1) year after the Date hereof due to reasons solely within Seller's control, Purchaser shall have the option of either: (i) thereafter terminating this Agreement by written notice to Seller, delivered at any time prior to settlement, in which event if settlement does not occur within fifteen (15) days after such notice, the Agreement shall terminate and Seller shall, if Purchaser shall have fulfilled all of its obligations, cause the Deposit (and all other money paid to Seller by Purchaser hereunder, if any) to be returned to Purchaser, and neither party shall have any further liability or obligation hereunder, provided, however, that if Purchaser shall have been or then be in default, Seller shall be entitled to retain the Deposit and neither party shall have any further liability or obligation hereunder; or (ii) electing to proceed with the purchase of the Condominium Unit when it is made available.

(b) **Force Majeure.** If Seller is delayed in performing any obligation hereunder for reasons beyond the control of Seller, then the time for performance shall be extended for the period of such delay. Reasons beyond the control of Seller shall include, without limitation, impracticality of performance or obtaining materials, acts of God, fire, adverse weather, earthquake, flood, explosion, condemnation, acts or delays of governmental agencies asserting jurisdiction over the Condominium, war, civil disorders, boycotts, strikes, lockouts, labor troubles, acts of Purchaser or anyone acting by, through or under Purchaser, and any other legally supportable justification under the laws of the District of Columbia which would excuse Seller from performance within the period allowed in this Agreement.

20. **Integration and Scope of Authority.** This Agreement supersedes any and all prior understandings and agreements between the parties and constitutes the entire agreement between them. No representations, warranties, undertakings, promises, claims, advertising or promotional materials, conditions or statements, oral or written, not contained herein shall be considered a part hereof. This Agreement may not be changed except by an instrument in writing signed by the party sought to be charged therewith or by the duly authorized agent of such party. Any and all additions, deletions, omissions and/or deviations from the printed form of this Agreement or any attachments hereto, other than the appropriate completion of the "blanks" which appear herein, are agreed to be in excess of the authority of Seller's sales representatives and shall be of no force or effect. Only an authorized general partner of Seller has the authority to sign this Agreement on behalf of Seller.

21. **Miscellaneous.** Subject to the provisions hereof, when this Agreement becomes effective, it shall bind and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns. The invalidity of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement. Notwithstanding anything to the contrary herein, acceptance of the deed at settlement shall constitute Purchaser's acknowledgment of full compliance by Seller with the terms of this Agreement. Time is of the essence in this Agreement. Purchaser is expressly prohibited from recording this Contract, or any memorandum thereof. The laws of the District of Columbia shall govern the interpretation, validity and construction of the terms and conditions of this Agreement, without regard to its provisions relating to conflicts of law. This Agreement shall not be changed except by an instrument in writing signed by the party sought to be charged therewith or by the duly authorized agent of such party. No action or inaction by Seller shall be construed as a waiver of any of the provisions of this Agreement and no purported change or modification whether by action or inaction shall be effective unless in writing and signed by the party against whom it is sought.

22. **Status of Purchaser.** If this Agreement is signed by an individual who is unmarried at the time of signing and at the time of settlement is married, Purchaser shall indemnify Seller from any loss that may arise by reason of the failure of Purchaser's spouse to sign any applications, mortgages notes or other documents required by the lender. If Purchaser is married and Purchaser's spouse is not also a purchaser under this Agreement, then Purchaser shall be responsible for such spouse signing the mortgage loan documents required by the lender and the failure of such spouse to do so shall not release Purchaser from any obligations under this Agreement, and Purchaser shall hold Seller harmless from any loss as a result of the refusal of such spouse to sign any such document. If Purchaser is not a natural person, Purchaser shall indemnify Seller from any loss that may arise by reason of the failure of any of Purchaser's principal officers, owners, beneficiaries or their spouses to sign any applications, mortgages, notes or other documents required by the lender. If Purchaser files for or is adjudicated a bankrupt, makes an assignment or arrangement for the benefit of creditors, files for divorce or legal separation, dies or notifies Seller of a desire to be released from this Agreement, Seller may, in Seller's sole discretion, terminate this Agreement and cause the Deposit to be returned to Purchaser, whereupon neither party shall have any further obligation to the other hereunder.

PURCHASER HEREBY REPRESENTS AND DECLARES THAT PURCHASER INTENDS TO OCCUPY THE UNIT AS A PRIMARY RESIDENCE. ANY MISREPRESENTATION REGARDING PURCHASER'S INTENTION TO RESIDE IN THE UNIT SHALL BE A DEFAULT HEREUNDER.

23. Rental Housing Conversion and Sale Act of 1980.
